The UC Davis Department of Viticulture and Enology Extension Team will be On the Road in Tulare County on Wednesday, February 15th, and we invite you to join us. On The Road programs are educational seminars that help us to communicate with the California grape and wine industries by bringing faculty to different regions of California. We present relevant research from UC Davis and, at the same time, listen to the issues that are important to grape growing and winemaking professionals.

We would like to thank Matthew Fidelibus (UC Davis Department of Viticulture and Enology Cooperative Extension Specialist, Viticulture), George Zhuang (Viticulture Farm Advisor, Fresno County), and Joy Hollingsworth (Table Grape Advisor, UCCE Tulare and Kings Counties) for their support and guidance with this program.
