# Pesticide Worker Safety Training

The University of California Cooperative Extension and the Tulare County Agricultural Commissioner's Office will jointly conduct a Pesticide Worker Safety Training Program for your employees on the dates listed below. Each session is a complete training program. They need attend only one program for all information.

<u>DATE</u>	<u>LOCATION</u>
Tuesday, December 1	Exeter Memorial Bldg., 324 No. Kaweah
Wednesday, December 2	Dinuba Memorial Bldg., 249 So. Alta
<u>SCHEDULE</u>	<u>LANGUAGE</u>
8:30 a.m. – 12:00 p.m.	Spanish Session
1:30 p.m. – 5:00 p.m.	English Session

These training sessions are for the purpose of helping employers train their employees in the safe handling and application of pesticides as required by state regulations. A certificate of pesticide training will be issued to those who attend.

In addition to this training, employers are still required to provide and document annual training in specific pesticides to be used.

Continuing education hours have been requested. Individuals with the following certificates **will receive 3.0 hours continuing education credit, which includes 2.0 hour of laws and regulations and 1.0 hour of other.**

- ⊗ Private applicator certificate
- ⊗ Commercial applicator certificate
- ⊗ Agricultural pest control advisor license
- ⊗ Qualified applicator license
- ⊗ Qualified applicator certificate
- ⊗ Maintenance gardener pest control business license.

Other certificate or license holders should call the Dept. of Pesticide Regulations regarding certification of continuing education credits.

We urge you to send your workers, even if they have attended previous safety training sessions. A review of the laws and the procedures to handle and apply pesticides safely is in the best interest of reducing accidents.
