

**University of California
Small Grain Trial Field Days
Viewing Opportunities in Tulare County**

Opportunity One: Monday, May 2, 2011 – 9:00 to 11:00 AM – Ducor, CA

Stop One: **Wild Oat Grass Herbicide Study in Dryland Wheat.**

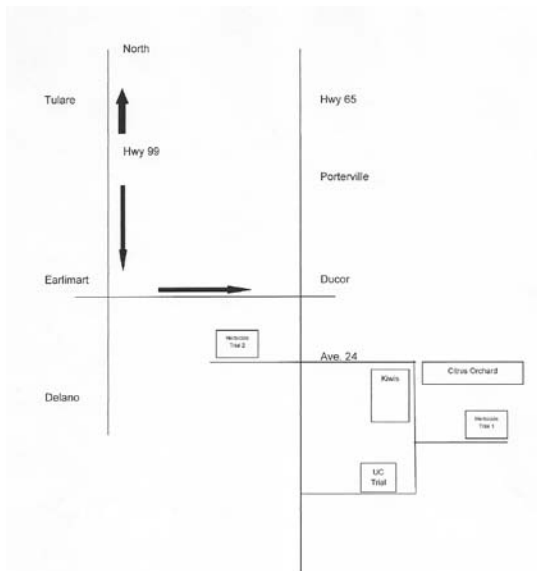

Several herbicides were evaluated including new products and tank mix in combination with broadleaved herbicides.

Stop Two: **Regional Dryland Wheat and Barley Grain Variety Trials.**

Wheat (common and durum), triticale, and barley variety trials will be observed for disease resistance, yield and quality evaluation of varieties. *Steve Wright, Gerardo Banuelos, Phil Mayo, UCCE and UC Davis, Industry speakers.*

Stop Three: **Broadleaf Weed Control with Express herbicide and other combinations will be discussed.**

Directions: North or South on Hwy 99 to Earlimart, go East on Avenue 56 to Ducor. Turn South on Hwy 65, then turn East on Avenue 24 about one mile. Just past the kiwi orchard, turn right on the dirt road and proceed approximately ¼ mile. Past the motor home turn left on the dirt road.

Opportunity Two: Tuesday, May 3, 2011 – 8:30 AM to 12:00 PM – West Side Research and Extension, Five Points CA

West Side Research and Extension Center Spring Field Day

Registration begins at 8:30 AM. Tour from 9:00 AM to 12:00 Noon.

Event begins with a tour of garbanzo bean research, orchard weed control studies, biofuel crop projects, alfalfa variety trial, small grain grass control, and ends with **Regional Wheat, Triticale and Barley Grain Variety Trials**.

Opportunity Three: Wednesday, May 4, 2011 – 8:00 to 10:00 AM – Visalia CA

Large Scale Wheat and Triticale Silage Trials. Wheat (common and durums), triticale, and barley variety trials will be observed for disease resistance, yield and quality evaluation of varieties. *Steve Wright, Gerardo Banuelos, Phil Mayo, UCCE and UC Davis, Industry Speakers.*

Trial will be demonstrated at Milky Way Dairy. Breakfast burritos and coffee will be enjoyed.

Directions: North or South on Hwy 198 to Road 80 (Plaza Drive). Go north on Road 80 past Avenue 328, the Tulare County Landfill, and St. Johns River. Then turn right about ¼ mile past the river onto a paved road with green gates and follow the paved road to Milky Way Dairy just past the gates. (See map below.)
