

Small Grain Field Site Viewing, WSREC and Milky Way Dairy

View, meet with researchers, Farm Advisors, and industry to assess Central California's Cereal Varieties and disease tolerance for 2016.

Session One: **Monday, April 25, 2016**
Westside Research and Extension Station – Five Points, CA
Corner of Lassen & Oakland
10:00 AM – 4:00 PM

Signs will be up in front of the varieties, and trials will be open for viewing from 10:00 AM – 4:00 PM. A standard presentation will be given at the site between 2:30 to 3:30 PM

Session Two: **Monday, May 2, 2016 – Small Grain Silage Tour**
Milky Way Dairy – North of Visalia
11:30 AM – 2:00 PM
Taco lunch will begin at 11:30 AM

Directions: From Hwy 99 take Hwy 198 east 2 miles; exit Plaza Street North; continue North on Plaza as it turns to Road 80; continue North past the county landfill; turn right immediately after crossing St. Johns River and follow the signs.
