

IMPORTANT CHANGE

To correct an oversight on our part we are correcting the scheduling of this field day so as not to detract from a previously planned local event. We hope this change better suits local ag professionals, and we apologize for any inconvenience this change may cause.

2023 Annual Field Crops, Alfalfa and Forage Field Day

Friday, September 29th, 2023

UC Kearney Agricultural Research and Extension Center, Parlier
9240 S. Riverbend Ave., Parlier, CA 93648

Dear farmers, crop consultants, ag professionals and those interested in agriculture and natural resources:

SAVE THE DATE on your calendars for the upcoming Annual Field Crops, Alfalfa, and Forage Field Day at the UC Kearney Agriculture Research and Extension Center to be held on the date of **FRIDAY SEPTEMBER 29TH, 2023**.

There is **NO FEE** to attend this public meeting, and all are welcome.

Anybody interested in up-to-date research-based information about the production of field and forage crops should attend.

The address is [9240 South Riverbend Avenue Parlier, CA 93648](#).

The expected time of day for the event will be from 8:00 AM until Noon.

We are developing an agenda and will announce speakers and registration details in the coming weeks.

We will be applying for CA DPR, CCA, and CDFA-INMP continuing education units to support attendees with these licenses and certifications.

Questions and suggestions can be directed to Farm Advisors Nick Clark at neclark@ucanr.edu or Giuliano Galdi at gcgaldi@ucanr.edu.
