

Reg. Fee Increases October 22!

2019 UC Almond Production Short Course

Tuesday, November 5 - Thursday, November 7, 2019

Field Tour Friday, November 8

Visalia Convention Center, Visalia CA

Event Description

[The UC Almond Production Short Course](#) features UC faculty, Cooperative Extension specialists and farm advisors, and USDA researchers who will provide an in-depth, comprehensive study of all phases of Almond culture and production.

The program is based on the latest information and research and will cover the fundamental principles that form the basis for practical decisions and include Q&A for each session, quality time with instructors, and networking opportunities. Options for additional Field Tour included on the registration form. You can see the [full agenda here](#).

Continuing Education

CCA and DPR credits are pending for both field day and the conference.

Short Course CCA: 16.5 hours ([see breakdown](#)) **Short Course DPR:** 6.5 "Other"

Field Day CCA: 3 hours ([see breakdown](#)) **Field Day DPR:** 2 hours "Other"
