We are changing our summer meeting format for 2011 and will be having a single meeting that highlights current UC stone fruit activities and research efforts. Due to industry changes and reductions in funding, this may be the last opportunity to visit many of these projects.

Speakers will include UC researchers Jim Adeskaveg, Walt Bentley, Carlos Crisosto, Kevin Day, Ted DeJong, Scott Johnson, and Mike McKenry.

Registration is from 8:00 to 8:30 a.m. and the tours will begin at 8:30 a.m.

This meeting is free and open to all, and we look forward to seeing you there.
